HAZEL

Make a real impression

Pages 14 - 15

We're with you every step of the way....

Welcome to Earnshaws' new cabin range, where your dream of owning a stylish and versatile cabin becomes a reality.

We understand that purchasing a log cabin is likely to be a once in a lifetime occurrence. We don't expect you to be an expert (although we don't mind if you are) – that's why we've made the process of choosing your log cabin as straightforward as possible.

Premium Construction

Our cabins are crafted from high-quality slow grown Nordic spruce, ethically sourced from Finland - bringing both durability and a timeless charm to your outdoor space.

Range of Roofing Options

We have a range of roofing options to suit your requirements. Our cabins have four options available – Felt, Shingles, Rubber Eco Slate and Rubber EPDM sheeting.

Superior security

For your peace of mind, our cabins come equipped with a cylinder lock for added security. The adjustable hinges on the windows and doors ensure smooth operation and longevity.

Robust Windows

The double glazed windows and doors of our cabins are designed for longevity, allowing you to embrace the natural light and surroundings of your garden.

EARNSHAWS

GOOD WITH WOOD, GREAT IN YOUR GARDEN!

Designed around you!

Our selection of log cabins offer the perfect blend of functionality and aesthetic appeal, creating an idyllic retreat in your garden.

Simple, honest pricing

Our cabin prices include delivery and fitting - many other companies offer these as 'optional extras'! We don't supply build-it-yourself kits because we want to make sure your cabin goes up and stays up, without a hitch.

Choose your specifications

We know that one size does not necessarily fit all, which is why we offer a choice of wall thickness for each of our cabins – choose between 44mm, 70mm or 95mm boards.

A splash of colour

The windows and doors of our cabins are made from slow grown spruce and can be painted in any colour. We offer five colour options as standard - Nut Brown, Black, Anthracite Grey, White and Blue.

Bespoke builds

If the specifications we offer don't match your requirements, contact us for a bespoke build! We're sure we can help you to create the perfect cabin for your outdoor space.

WILLOW

An ideal craft room

A simple and elegant solution
Robust workshop or hobby room

The Willow Mini Office offers great value for money – with robust construction and a range of options. This compact cabin is ideal for smaller spaces, but can also be specified up to 30m².

Make extra room for your hobbies in the high-quality Willow Cabin. With all the features and options of its larger siblings, the Willow is an affordable way to make the most of your outdoor space.

The Maple Craft Room is the perfect mini workspace or garden retreat.

Light and airy with classic chalet styling, it is compact enough for modest gardens.

Glazed double doors, generous windows and an overhanging roof all contribute to the traditional look of the Maple.

Embrace the natural light of your garden and make the Maple Cabin your reading room, art studio or music room – an ideal retreat to unwind and connect with nature.

MAPLE

Your perfect garden retreat

A timeless classic
Ideal for work, rest or play

ELDER

A robust and versatile log cabin

The storage space of a shed
The comfort and style of a cabin

The Elder Combi makes the most of your space. Enjoy the best of both worlds with our two in one solution – a cabin and shed combo.

Looking for the comfort and versatility of a cabin combined with oodles of secure storage space?

Look no further than the handsome and space saving Elder – a combined cabin and storage shed!

The supremely flexible Elder provides a secure place to store your garden essentials, and a space for you to unleash your creativity and create a cosy retreat or a functional workspace.

The Aspen offers sleek styling, combined with a generous, integral covered area.

An Aspen cabin will look fantastic in your garden and provide a robust and practical way to make the most of your outdoor space.

Our experts will be delighted to help you configure an Aspen Cabin to suit your garden and meet your needs.

ASPEN

Form and function in harmony

Contemporary design and style

Perfect for outdoor seating, a hot tub or even an outdoor kitchen

HAZEL

Make a real impression

Eye catching style

Spacious and supremely versatile

The Hazel Clock House is the flagship of our new range.

On the outside, the clockhouse design has real presence, and inside the abundant space with high ceilings makes this cabin suitable for just about any purpose!

The only limit is your imagination.

Built to immaculate standards and finished in your choice of paint colour, the Hazel can be supplied complete with electrics, lights and an insulation package to enable year-round enjoyment.

Whether you're dreaming of a place to entertain guests, or you are a modern professional requiring a work-from-home studio, the Hazel can become a true living space in your garden.

Find us on and follow our journey today!

Earnshaws Sustainability Programme

At Earnshaws we have always had a strong interest in ecological and environmental matters. From sourcing our material to managing our woodland, we have always worked to the very best practice. We always try to minimise fuel miles on all our outward deliveries and purchases, and try to source locally wherever possible.
