GOOD WITH WOOD, GREAT IN YOUR GARDEN!

Welcome to Earnshaws Fencing Centres

Packed full of natural timber products to inspire you with ideas for your home and garden!

We are proud of our exceptional and inspiring range – from garden furniture, decking and pergolas to essentials like fencing, panels, sheds, cabins and gates. Finishing touches are our speciality and ranges include bark, aggregates, paving, planters and benches – infact, everything except the plants themselves.

Friendly expert advice is always on hand and the vast stocks and extensive ranges mean that you'll be able to take away what you need and get cracking on that new project straight

away. The well stocked shops are thoughtfully laid out with the things needed to finish any job – nails, screws, hinges, brackets and tools.

We are proud of our traditional values of honest advice, high quality and value for money combined with a keen eye for interesting products and emerging trends in garden design. The result is innovative displays and product ranges that change and evolve each season.

DELIVERY SERVICE

We run our own in-house delivery service on all the products we supply. We will always aim to have the goods delivered ready for when you need them. Ask in the centres for a price to deliver your goods or alternatively, just drive in to any of the centres and we'll be pleased to help you with your collection.

INSTALLATION SERVICE

While many of our customers love to DIY, if you don't have the time or the necessary skills, we have a team of fitters able to undertake most projects. For fencing, decking, gate fixing, cabins or whole garden makeovers, we'll be able to turn your dream into reality. We can even build up the flat pack furniture for a small extra charge.

Some timber products will develop checks which are splits across the grain; this is perfectly natural as the timber dries and will not reduce the strength of the timber. As timber is a natural product it has the potential to move with the atmospheric conditions and we cannot be held responsible for this movement. In the very rare occasion where there is a proven manufacturing defect, Earnshaws' liability shall in no circumstances exceed the price of the timber affected. Earnshaws shall not in any way be held responsible for any additional consequential costs or losses.

Prices correct at the time of going to press, but are subject to change without prior notice. All goods remain the property of the vendor until full payment has been received.

All Prices INCLUDE VAT

GOOD WITH WOOD, GREAT IN YOUR GARDEN!

Proud to be an independent Yorkshire company with a long history and tradition, many of the products we sell are manufactured in the UK using timber grown in our own woodlands.

We have unique and exclusive ranges, displayed in accessible and tranquil settings, perfect for browsing, guaranteed to inspire! If you have already planned your next piece of garden design – then look no further than Earnshaws Fencing Centres, we have huge ranges in stock ready to collect from site.

Your One Stop Shop for Gates

SIGN UP TODAY

for your personal loyalty card to receive exclusive discounts!

In our price list and online you'll find every item has two prices: the regular price and a price exclusively available to Earnshaws loyalty card holders. The loyalty card guarantees you the lowest possible store price as well as receiving amazing regular deals – you'll also be the first to know about new products.

As an Earnshaws loyalty card holder, you will enjoy:

- Permanent discounts all year round.
- Fortnightly newsletter with useful information, tips and product news.
- Advanced notice of latest offers and seasonal lines via email.

You can purchase the Earnshaws loyalty card in any Earnshaws Fencing Centre for £5.00 for life. It is valid immediately, and your purchased item(s) will be discounted.

Enjoy great savings for life!

We have three centres, each offering easy access, free parking and a huge range of inspiring products in stock ready to take away today!

Earnshaws Sustainability Programme

At Earnshaws we have always had a strong interest in ecological and environmental matters. From sourcing our material to managing our woodland, we have always worked to the very best practice. We always try to minimise fuel miles on all our outward deliveries and purchases, and try to source locally wherever possible.

Interbranch Transfers

You will normally find we have what you are looking for in stock at all three centres. However, from time to time less popular lines may only be in stock and in bulk at our Midgley Centre. We will happily transfer the stock you need for collection at your nearest centre – so please feel free to ask the staff on site. If you are looking for a very specific line or a large quantity please phone ahead to check that it's in stock.

FENCING

Premium Fence Panels

This range of panels are built on the continent, using a rebated frame to ensure a strong and durable panel and are supplied pressure treated for maximum protection.

They are suitable for use with either standard or reeded timber posts or will fit within the 'H' section concrete posts. If using these panels with concrete gravel boards, a pair of timber fillets are required.

All heights given are to the tallest point.

GREAT IDEAS

www.facebook.com/EarnshawsFencingCentres

Recommended Fence Post Sizes

We strongly recommend a minimum of 600mm (2ft) of post into the ground. Don't forget you will need to allow for longer posts when fencing on sloping ground.

Ensure that the strength of the post matches the style of panel, for heavier panels such as the Double Sided Paled Panels, a minimum of 75mm x 100mm is recommended for the lower sizes, with 100mm x 100mm for the taller panels. For the lighter trellis panels 75mm x 75mm section posts should be sufficient.

As a general rule, base your post decision around the weight, height and how exposed the panel will be to the wind. *Our sales team will be happy to answer any specific enquiries.*

A FULL RANGE OF POSTS ARE AVAILABLE

See page 27 for more information.

Don't forget as an alternative to ready-made palisade and featheredge panels, we also stock a wide range of pales and featheredge boards and all the other materials required to make longer runs of fencing.

Driveway Gates

by Earnshaws

All our driveway gates are made by our in-house joiners.

The fitting of driveway gates is not easy and should only be undertaken by competent DIY'ers or tradesmen. At our fencing centres we have a team of skilled gate fitters who will measure, supply and fix your entrance gate.

All Bespoke driveway gates are priced to specific requirements. Please ask in the centres for prices for your specific sizes and we can print out a sheet with each style individually priced or Try our online calculator for an estimate.

BESPOKE ENGRAVING SERVICE

We now offer a full CNC engraving service for all bespoke gates and gate posts. It is a great way to personalise the entrance to your home!

POSTSAVER

For the ultimate gate post protection, add The POSTSAVER BARRIER SYSTEM to your project.

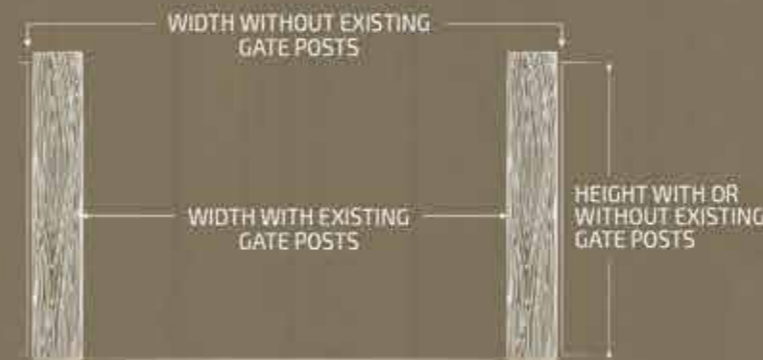

Visit our website for gate & post faqs!

USING OUR ONLINE GATE CALCULATOR

Before using our ONLINE gate calculator, it is important to get an accurate measurement for the gates you need.

WHAT TO CONSIDER:

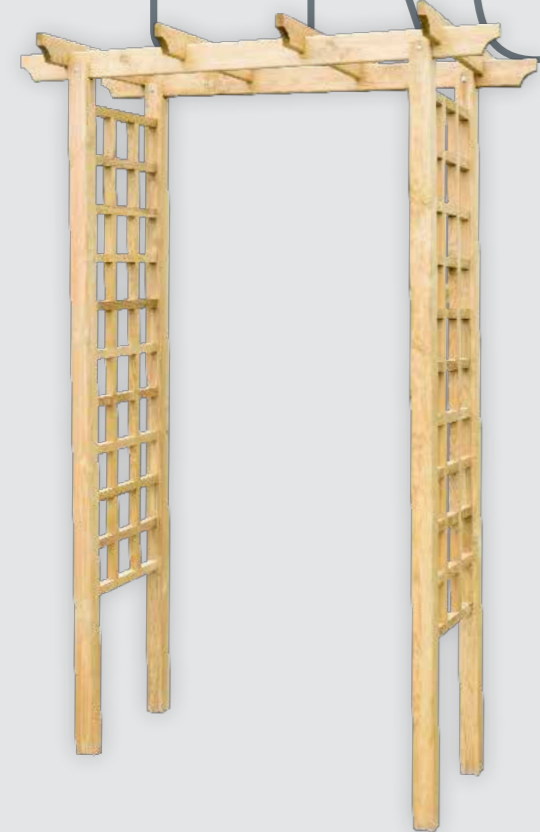

When you have your measurements and you have decided which way your gate will open, simply enter the sizes into our ONLINE calculator, include the quantity you require and we will give you an estimate for your gates.

DON'T WORRY!

If you are still unsure about how to measure for your gates or how to use our ONLINE calculator a member of our sales team will be happy to answer your questions.

DON'T FORGET TO MEASURE TWICE!

ARCHES, ARBOURS & PERGOLAS

We stock a good range of arches to suit most requirements. Our arbours still allow for plants to be trained over the roof but add the bonus of somewhere comfy to sit.

All supplied with pressure treated finish.

TIMBER

We have been sawmilling for over 150 years and in that time we have built up a wealth of knowledge and experience.

At Earnshaws we aim to supply from stock, a wide range of pressure treated softwood for all your fencing or landscaping requirements. Whilst we hopefully have every size you may require in our stock lines we are also able to saw any specific sections you may want in our sawmill.

Supplied pressure treated

Concrete Posts

Drycast concrete posts have a rough cast surface that is uniform on both faces and are slotted on two opposite sides in a H pattern to allow panels to be easily inserted. We also stock an end post which has a single slot, and a corner post which has two slots on adjoining sides.

The gravel boards are supplied in an imperial 6' length to fit under the Waney Lap and Featheredge panels. When using the gravel boards under the metric sized premium panels don't forget to use packing fillets available from stock.

1.525m Drycast inter post	£14.99	£13.99
1.83m Drycast inter post	£15.49	£14.49
2.135m Drycast inter post	£15.99	£14.99

2.745m Drycast end post	£23.99	£22.99

POSTSAVER AND TREATMENTS

Our standard timber sourcing policy is mixed species of homegrown softwoods and while we air dry these pre-pressure treatment, unfortunately, due to an industry wide change in the types of treatment available, we cannot offer any lifespan guarantees.

If a defined lifespan is required we currently offer two alternatives; the planed or reeded posts are produced from kiln dried Redwood and come with a 10 year guarantee. Alternatively the Postsaver barrier system prevents the premature failure of timber posts by providing a physical barrier to fungal entry at ground level.

Suitable for use with most posts this product also comes with a 10 year guarantee. For products not in ground contact standard treatments are more than satisfactory. For further details ask in store or look at the treatment section on our website.

Stakes and Machine Rounds

We stock two ranges of round timber for agricultural and landscaping projects. The stakes are a rustic uneven finish with a sawn point while the machine rounds have a uniform diameter with a turned point where applicable and a chamfered top. We can supply a wide choice of special sizes in either range. Please ask for specific requirements.

All supplied with pressure treated finish.

Rustic Peeled and treated Stakes, Strainers

MET POSTS

Manufactured from heavy gauge steel with a protective coating, Metpost post supports are designed to allow the erection of fence posts in minutes without the need for digging holes or mixing concrete. The spikes are ideal for use in less exposed areas for temporary fencing while the bolt-downs make fixing to paths or driveways easy. Available in two styles: the traditional wedge-grip which grips the post as it is knocked into the support, and the bolt-grip which grips the post by tightening two bolts.

450mm x 50 x 50 Wedge-grip spike	£6.99	£6.49
600mm x 75 x 75 Wedge-grip spike	£7.99	£7.49
750mm x 75 x 75 Wedge-grip spike	£8.49	£7.99
600mm x 75 x 75 Bolt-grip spike	£8.99	£8.49
750mm x 75 x 75 Bolt-grip spike	£9.49	£8.99
750mm x 100 x 100 Wedge-grip spike	£9.49	£8.99
750mm x 100 x 100 Bolt-grip spike	£10.49	£9.99
50 x 50 Wedge-grip bolt down	£6.49	£5.99
75 x 75 Wedge-grip bolt down	£6.79	£6.29
100 x 100 Wedge-grip bolt down	£8.99	£8.49
75 x 75 Bolt-grip bolt down	£7.49	£6.99
100 X 100 Bolt-grip bolt down	£9.49	£8.99

All bolt downs are available in square base plates or flush mounted on two sides to enable post to be fitted tight to an obstruction.

75 x 75 Wedge-grip to concrete fix	£6.49	£5.99
100 x 100 Wedge-grip to concrete fix	£8.49	£7.99
100 x 100 Bolt-grip to concrete fix	£8.99	£8.49
75 x 75 Wedge-grip repair spur	£6.49	£5.99
100 x 100 Wedge-grip repair spur	£9.49	£8.99
75 x 75 Wedge-grip post extender	£6.79	£6.29
100 x 100 Wedge-grip post extender	£9.49	£8.99
75 x 75 Metpost driving tool	£6.49	£5.99
100 x 100 Metpost driving tool	£7.49	£6.99

Extras	Metpins	£1.79	£1.69
	L shaped clips	£0.44	£0.39
	C shaped Metclip 52mm wide	£0.49	£0.45
	C shaped Metclip 46mm wide	£0.49	£0.45
	C shaped Metclip 41mm wide	£0.49	£0.45
	Gravel board clip 50mm wide	£3.19	£2.99

Post Caps

The ideal way to finish off a fencing job. Not only does the cap make the fence look better, it helps protect the end of the post from the elements.

Post cap to fit 75 x 75 post	£0.83	£0.79
Post cap to fit 100 x 75 post	£0.89	£0.85
Post cap to fit 100 x 100 post	£0.99	£0.89
Ball finial for 75mm post	£2.99	£2.79
Ball finial for 100mm post	£3.99	£3.79
Acorn finial for 75mm post	£2.99	£2.79
Acorn finial for 100mm post	£3.99	£3.79

MIDGLEY ~ WENTWORTH ~ BRIGG

CARTERS
EST. 1740

THE ORIGINAL HAND TOOL MANUFACTURER

Carters, a historical brand established in 1740.

We are proud to stock a range of traditional shovels and gardening tools manufactured in Huddersfield by the historic Carter family. A company whose history pre-dates our own proud heritage.

Jeremiah Carter established the Company in Highburton in 1740. Business flourished, and in 1850 Jeremiah's great, great grandson, Richard Carter, relocated the Company to Dene Works in Kirkburton, which was to become their home for the next 150 years.

Everything you need for a roaring fire...
 ...all year round!

TOP FIREWOOD TIP!
 Logs stacked in spring will always burn better after an extra drying season.

Need somewhere dry to store your wood this winter?

Even though the logs we supply are air dried they will always benefit from good stacking when you get them home. Ideally keep them out of direct rain but still exposed to the wind, our log stores are designed to keep your logs tidy while ensuring they reach the fire in perfect condition.

OVER
150
 YEARS IN THE MAKING
 EST 1860

At Earnshaws we know our timber and have been cutting firewood since 1860 so you can buy with confidence. That is why we opened a dedicated Firewood Centre at our Midgley branch.

- Hardwood logs
- Softwood logs
- Kindling sticks
- Solid fuels
- Fire lighters
- Log stores
- Oak fire surrounds
- Fireside accessories

READY TO
 COLLECT
 7 DAYS A WEEK

Real fires bring more than just warmth, they can become a real passion. The cutting and drying of wood is a satisfying winter activity, and for the real experts, we have a range of axes and equipment for the safe cutting of logs, plus a variety of practical outdoor and stylish indoor log storage solutions.

Don't forget...

We can deliver everything from bags to wagon loads - call us today with your requirements!

Firewood logs, kindling and solid fuels are also available at our Brigg and Wentworth Centres

A GREAT TRADITION IN FENCING

EARNSHAW'S

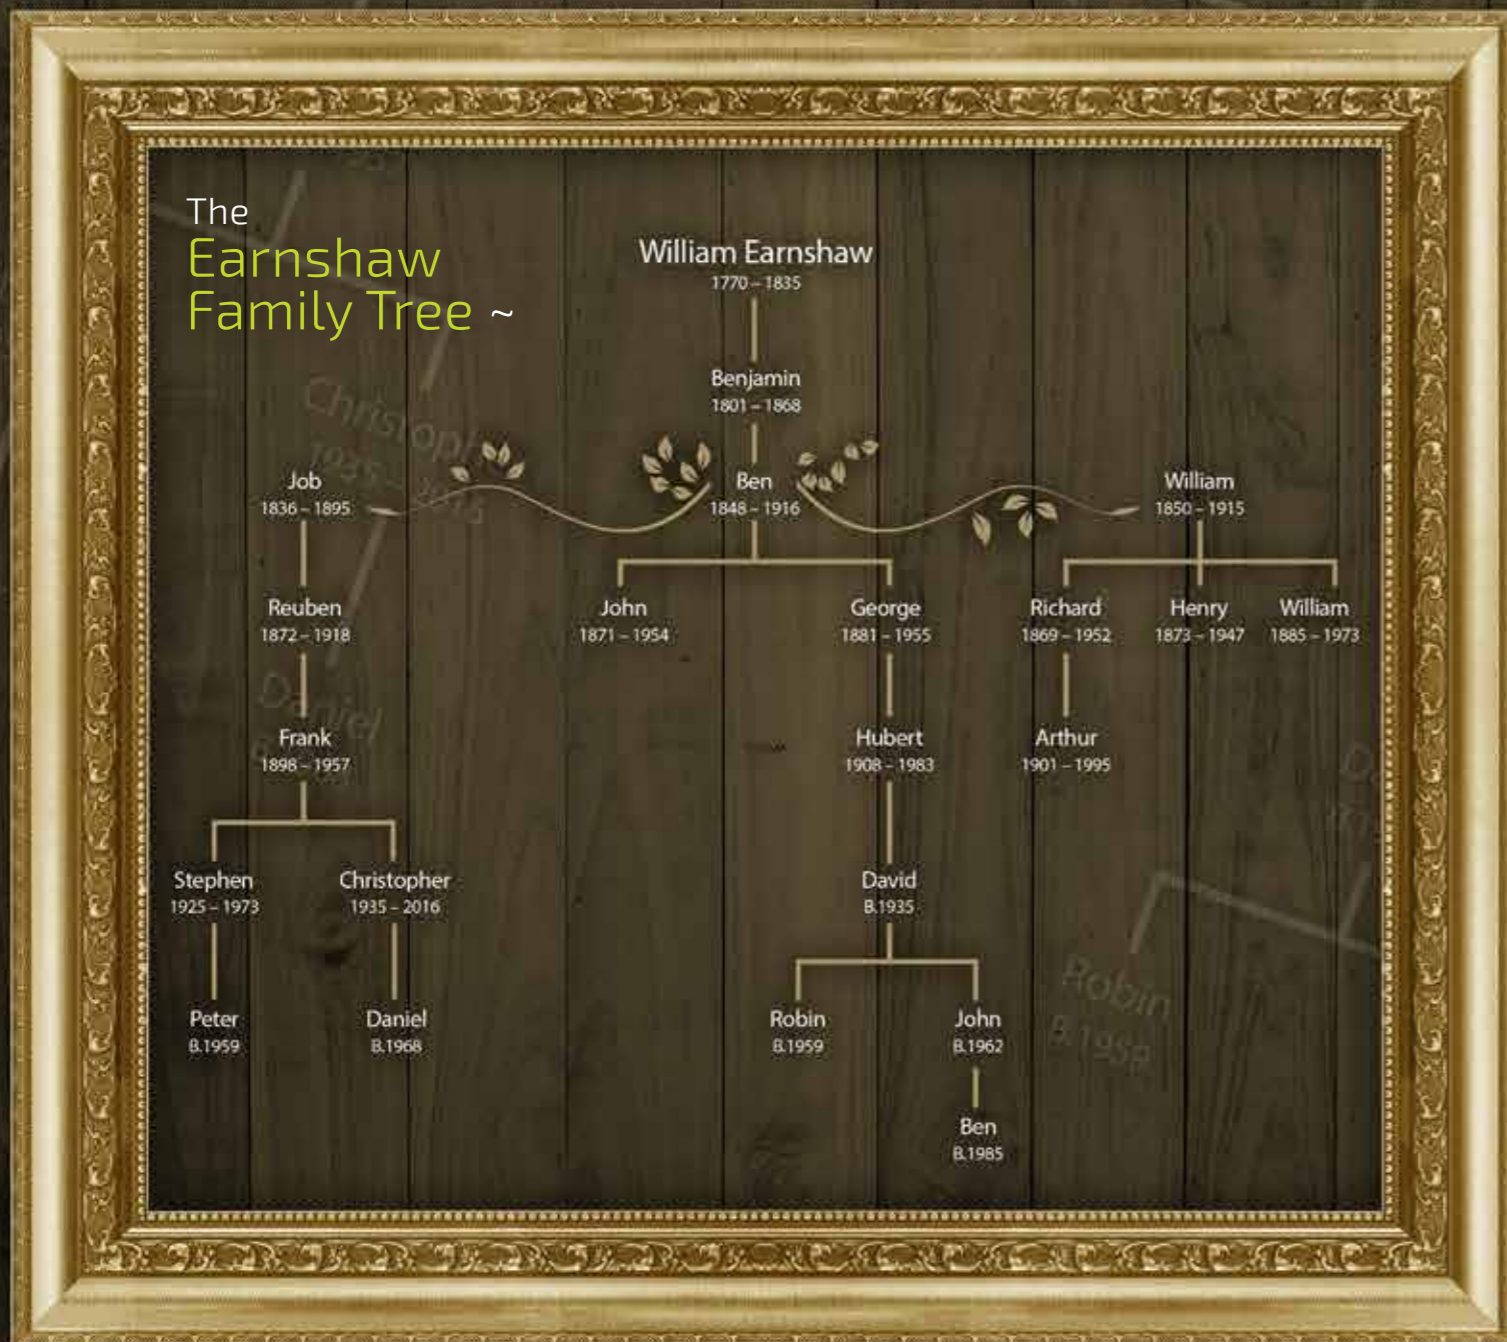

GOOD WITH WOOD, GREAT IN YOUR GARDEN!

Records show that the Earnshaw family has been connected with the timber trade since 1780.

The business today, which was founded in 1860, carries the name of Job Earnshaw, who worked falls of timber in the local area near Wakefield. Soon his brothers joined him in the venture, and a small sawmill was built on the Midgley site, producing parts for horse drawn carts, gates, fence posts, rails and various items used in agriculture.

The company is still owned and managed by descendants of the founders and we still maintain the same service tradition that was so important back in the 1860s. While the company has adapted and changed over the years we have built on those years of experience to be true experts in our field.

Many of the products we sell today are still made by hand in our workshops where quality and durability are second nature.

For more information on the history of Earnshaws visit www.jobearnshaw.co.uk/about-earnshaws
