PRESSURE TREATED

Most of our products are pressure treated to protect against rot, decay and insect and fungal attack.

DELIVERY SERVICE

We run our own in-house delivery service on all the products we supply. We will always aim to have the goods delivered ready for when you need them. Ask in the centres for a price to deliver your goods or alternatively, just drive in to any of the centres and we'll be pleased to help you with your collection.

INSTALLATION SERVICE

While many of our customers love to DIY, if you don't have the time or the necessary skills, we have a team of fitters able to undertake most projects. For fencing, decking, gate fixing, cabins or whole garden makeovers, we'll be able to turn your dream into reality. We can even build up the flat pack furniture for a small extra charge.

ONLINE ORDERING

Place an order through our website by completing an online enquiry list. We will confirm the details with you, take payment by phone, and arrange a delivery time that is convenient for you.

TRADE

At Earnshaws we have been supplying direct to the trade for over 160 years. For any trade enquiry big or small, or for further information regarding our comprehensive range of trade services, please contact Michael Mountain, Head of Trade Sales.

LOYALTY CARD PRICES

Prices in bold green are for loyalty card holders. Get yours in-store or add it to your online order for £5 and get our best prices guaranteed.

and follow our journey today!

Welcome to Earnshaws

We are proud to be an independent Yorkshire company, with a long history and tradition. Many of the products we sell today are still made by hand in our workshops - your guarantee of quality and durability.

We have unique and exclusive ranges, displayed in accessible and tranquil settings - perfect for browsing and guaranteed to inspire!

Each of our three centres is a treasure trove of garden ideas, accessories and natural timber products imaginatively displayed to capture the spirit of outdoor lifestyle living.

Our Midgley Centre also boasts the Little Acorn coffee stop and two historical woodland walks, making it the ideal destination for a family day out!

Our centres are packed full of natural timber products to inspire you with ideas for your home and garden!

Sign Up Today

for your personal loyalty card to receive exclusive discounts!

In our price list and online you'll find most items have two prices: the regular price and a price exclusively available to Earnshaws loyalty card holders. The loyalty card guarantees you the lowest possible store price as well as receiving amazing regular deals – you'll also be the first to know about new products.

As an Earnshaws loyalty card holder, you will enjoy:

- *Permanent discounts all year round.*
- *Regular newsletter with useful information, tips and product news.*
- *Advanced notice of latest offers and seasonal lines via email.*

You can purchase the Earnshaws loyalty card in any Earnshaws centre for £5.00 for life. It is valid immediately, and your purchased item(s) will be discounted.

Enjoy great savings for life!

Don't forget to visit our website!

Feature packed with

- Complete product listings
- Simple 'enquiry list' feature
- News and events
- Great product offers
- Centre videos and gallery
- A history of Earnshaws

Fencing

Premium Fence Panels

This range of panels are built on the continent, using a rebated frame to ensure a strong and durable panel and are supplied pressure treated for maximum protection.

They are suitable for use with either standard or reeded timber posts or will fit within the 'H' section concrete posts. If using these panels with concrete gravel boards, a pair of timber fillets are required.

All heights given are to the tallest point. For shoulder measurements please reduce the given height by 200mm.

- Beam quality Oak and Douglas Fir, with other species also available
- Beams cut to order up to 12m x 600mm x 600mm
- Pressure treatment available as required
- Responsibly sourced timber
- Specialist machining available – planed, mortised, chamfered, drilled etc
- Delivery facility with moffett offload available for larger orders
- Turnkey design and installation service available

Contact our Trade Sales department at Midgley for more information.

Delivery Service

We run our own in-house delivery service to ensure our bigger, bulkier products can make it to your garden.

Contact your nearest centre for prices and delivery availability.

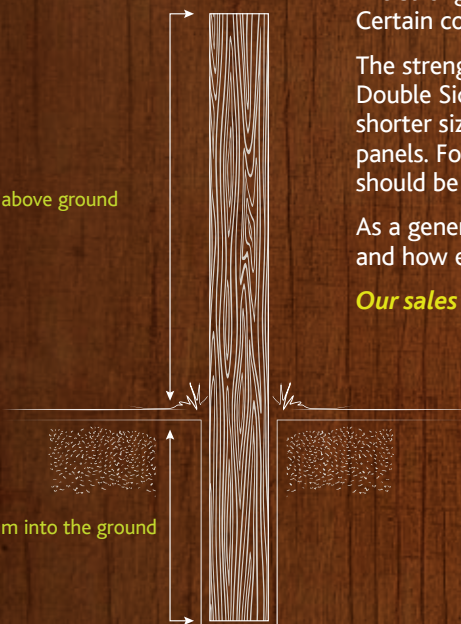

Recommended Fence Post Sizes

Typical 1800mm post

1200mm above ground

Set 600mm into the ground

We strongly recommend a minimum of 600mm (2ft) of fence post into the ground. Certain conditions, such as slopes and soft ground, will require longer fence posts.

The strength of the post is dictated by the section size. For heavier panels, such as the Double Sided Paled Panels, a minimum of 75mm x 100mm is recommended for the shorter sizes, while 100mm x 100mm posts would be more appropriate for the taller panels. For lighter panels, such as trellis and lattice, 75mm x 75mm section posts should be sufficient.

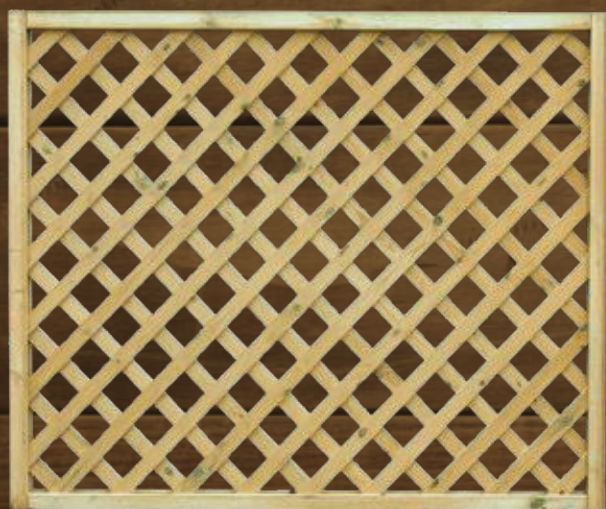

As a general rule, base your post decision around the weight and height of the panel, and how exposed the fence will be to the wind.

Our sales team will be happy to answer any specific enquiries.

**A FULL RANGE
OF POSTS
ARE AVAILABLE**

See page 12 for more information.

Lattice, Trellis and Screening

Our range of lattice, trellis and screening is ideal for infills, artistic designs or adding extra privacy in the garden.

Timber

At Earnshaws, we aim to supply from stock a wide range of pressure treated softwood for all fencing and landscaping applications. With such a wide range on offer it can be difficult to decide exactly which product best meets your requirements – please give your nearest centre a call for friendly advice and information.

Our range of posts are supplied pressure treated and sawn from mixed softwood species. They are used as the basic building product for most fences. Available in a mix of lengths and sections to suit most jobs in a standard sawn finish. Other non-standard sizes are available to order - ask at your local Earnshaws fencing centre for details.

See our recommendations on page 9.

Planed Timber

Planed Timber with Rounded Edges

If your project demands a better finish than standard sawn timber, we also stock a range of Scandinavian planed timber. Planed to a high standard, this timber also has rounded edges (R4C), which is ideal for pergolas or to complement the premium panel ranges.

1.8 x 70 x 70 planed R4C posts	£12.99	£11.99

Stakes and Machine Rounds

We stock two ranges of round timber for agricultural and landscaping projects. The stakes are a rustic uneven finish with a sawn point while the machine rounds have a uniform diameter with a turned point where applicable and a chamfered top. We can supply a wide choice of special sizes in either range. Please ask for specific requirements.

All supplied with pressure treated finish.

Concrete Posts and Gravel Boards

Drycast concrete posts have a rough cast surface that is uniform on both faces and are slotted on two opposite sides in a H pattern to allow panels to be easily inserted. We also stock an end post which has a single slot, and a corner post which has two slots on adjoining sides.

The gravel boards are supplied in an imperial 6' length (1828mm). When using the gravel boards under the metric sized (1800mm) premium panels don't forget to use packing fillets available from stock.

1.52m Drycast inter post	£21.99	£20.99

Gates

Garden Gates ~ Field Gates ~ Driveway Gates

We pride ourselves on offering the most extensive range of high quality timber gates in the area. From garden gates to bespoke driveway gates, estate gates to field gates – we have something for all applications.

Each of our three centres feature well stocked shops with a huge range of gate ironwork, supported by well trained staff with years of specialist knowledge and experience.

Supplied
pressure
treated

We operate a traditional joiners shop at our Midgley centre, where expert craftsmen hand-build the vast majority of our extensive range.

Whether you require a gate to provide security, privacy, or simply to complement your home, we're confident that we can provide the right solution for you.

Ironwork, Hinges, Catches and Security

We have a huge range of gate hanging sets and padlocks.

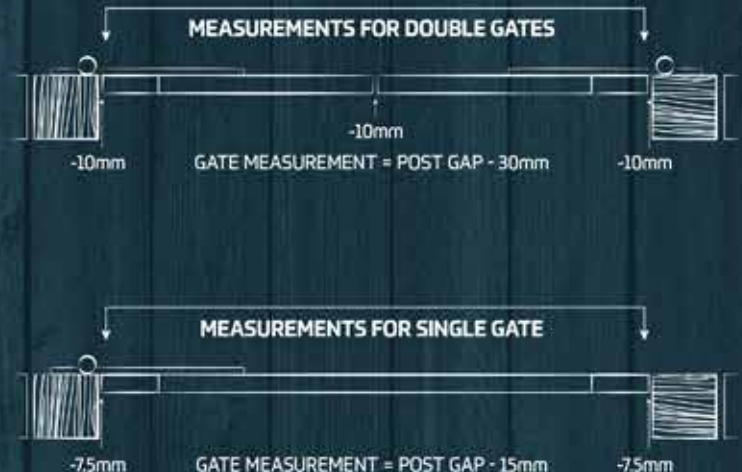

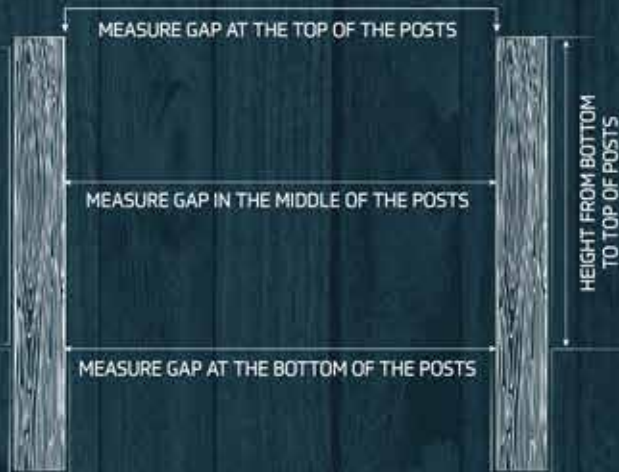

Please ask in store for any specific requirements or a recommendation on which ironwork will suit your specific gates.

How To Measure For Bespoke Gates

To ensure accurate results, we always recommend installing gate posts before the measurements for bespoke gates are taken.

Once the gate posts are in place, take three measurements from between the posts – top, middle, and bottom – and reduce the SMALLEST measurement by 30mm for driveway gates, or 15mm for single gates. This measurement is now the width of gate required, providing a neat fit while allowing for the natural swelling that is a feature of timber gates. Don't forget to allow for 40-50mm of clearance beneath the gate too.

Measuring for and fitting gates is not easy and should only be undertaken by competent DIY'ers or tradesmen. The above is only a guide and does not consider a huge range of variables that can impact upon gate size and hanging technique.

If in doubt, why not consider our **Approved Contractor Fitting Service** to complete the job?

Approved Contractor Fitting Service

While many of our customers love to DIY, if you don't have the time or the necessary skills, we have the perfect solution.

We've put together a carefully selected group of specialist contractors able to undertake almost any project. We know our approved contractors deliver fantastic workmanship, using high quality materials supplied by us. From all types of fencing work, to decking and gate installation, through to complete garden makeovers, we'll be able to turn your dream into reality.

Speak to a member of staff at your nearest centre about the project you have in mind, and we'll arrange for the ideal contractor to contact you and provide a quotation.

Handmade Garden Gates

Supplied
pressure
treated

We stock a wide range of gates at our fencing centres. All of our hand gates are hand made to a standard metric 900mm x 900mm sizing along with taller 900mm x 1800mm side gates.

These gates will make the perfect entrance for your home for years to come. Please ask for advice on specific requirements or to price non standard sizes.

Elite Zurich Gate

900w x 900h £49.99 **£48.99**

Midgley Gate

900w x 900h £119.99 **£114.99**

Clayton Gate

900w x 900h £74.99 **£69.99**

Cottage Gate

900w x 900h £119.99 **£114.99**

! The Clayton Gate is a perfect value option for those with a tighter budget, offering lower specification timber and fixings than our other hand gates. The Clayton Gate is only available in the standard size.

Hamburg Bowed Panel Gate

900w x 1800h £73.99 **£71.99**

Driveway Gates

FULLY BESPOKE AND MADE TO ORDER!

At Earnshaws, we've carefully designed our range of driveway gates to suit every taste and requirement. Whether you're looking for privacy, security, or simply want to create a grand entrance, we're confident that we can craft the perfect pair of driveway gates for your home.

- **Manufactured by us.** All our driveway gates are manufactured at our Midgley centre by expert joiners using time-honoured, traditional techniques.
- **Fully bespoke.** We know that every driveway is different, so we don't stock 'standard size' gates. Our driveway gates are manufactured to your exact requirements, so there's no need to compromise on fit.
- **Top quality comes as standard.** We're proud of our driveway gates – that's why every pair is constructed from premium, hand picked materials and given the care and attention they deserve.
- **On-site displays.** Read every specification on the internet that you can – but there's really no substitute for touching and feeling our driveway gates. We've assembled a comprehensive selection of display models at each of our three centres so you can judge our gates for yourself.
- **Dedicated, on-site gate experts.** Whether your local Earnshaws branch is at Midgley, Wentworth, or Brigg, we have well trained staff at each of our three sites to inform and advise at every turn.

All prices are inclusive of VAT.
All loyalty card holders get £25 allowance towards ironwork with every gate order.

Tankersley

Handcrafted in our workshops using premium grade joinery redwood, the Tankersley range combines high quality materials and traditional workmanship with fantastic value. Choose from three available styles – Square, Omega, or Bow top. Please note that the Tankersley range is supplied untreated and will require a good quality treatment before fitting – ask us about our range of quality treatments and stains.

All of our driveway gates are manufactured to your exact requirements. Take your required height and overall width for the pair of gates, and calculate your price using the grid below. For intermediate sizes, please price using the next size up eg for 2.9m, use 3.0m price.

NOW IN STOCK AT MIDGLEY!

Artificial Grass

We stock a range of artificial grasses 'off the roll' at each of our centres, in a 2m length, for you to buy and take away. Perfect for protecting high traffic areas on the lawn, repairing a muddy goalmouth or laying beneath a children's swing.

For bigger projects we can cut from 4m or 5m rolls to minimise joints. Ask at the counter for a price for your specific size, we usually aim to have these bespoke rolls ready for you within 5 working days.

Artificial Turf Rolls

Sandal grass per square metre (30mm)	£16.99	£16.49
Walton grass per square metre (37mm)	£15.49	£14.99
Nostell grass per square metre (40mm)	£20.49	£19.99

X Large 530 x 860 dia	£72.99	£69.99

Metal Fixing Spikes

Manufactured from heavy gauge steel with a protective coating, metal post supports are designed to allow the erection of fence posts in minutes without the need for digging holes or mixing concrete. The spikes are ideal for use in less exposed areas for temporary fencing while the bolt-downs make fixing to paths or driveways easy. Available in two styles: the traditional wedge-grip which grips the post as it is knocked into the support, and the bolt-grip which grips the post by tightening two bolts.

450mm x 50 x 50 Wedge-grip spike	£10.49	£9.99
600mm x 75 x 75 Wedge-grip spike	£12.49	£11.99
750mm x 75 x 75 Wedge-grip spike	£15.49	£14.99
600mm x 75 x 75 Bolt-grip spike	£12.49	£11.99
750mm x 75 x 75 Bolt-grip spike	£15.49	£14.99
750mm x 100 x 100 Wedge-grip spike	£17.49	£16.99
750mm x 100 x 100 Bolt-grip spike	£17.49	£16.99
50 x 50 Wedge-grip bolt down	£7.99	£7.49
75 x 75 Wedge-grip bolt down	£10.99	£10.49
100 x 100 Wedge-grip bolt down	£11.99	£11.49
75 x 75 Bolt-grip bolt down	£10.99	£10.49
100 X 100 Bolt-grip bolt down	£11.99	£11.49

All bolt downs are available in square base plates or flush mounted on two sides to enable a post to be fitted tight to an obstruction.

75 x 75 Wedge-grip to concrete fix	£13.49	£12.99
100 x 100 Wedge-grip to concrete fix	£15.99	£15.49

Firewood

At Earnshaws, we know our timber and have been cutting firewood since 1860, so you can buy with confidence.

Our range of firewood logs are either air-dried or kiln-dried before sale, with moisture contents as low as 16 percent, and an even more impressive 6 percent for our briquettes.

Nothing beats the glow and cosy warmth of a real fire, the aroma of a barbecue or the taste of a wood fired pizza! You can burn our firewood logs indoors or outdoors, all year round, knowing they are as efficient and clean burning as possible.

In addition to our range of firewood, we also stock firelighters, indoor and outdoor log stores, as well as fireside accessories, buckets and fire guards.

Firewood and Logs

! READY TO BURN

	KINDLING	KILN DRIED HARDWOOD	CHUNKY KINDLING
Net Bag	£4.49	£7.99	-
Midi Dump Bag	-	-	£12.49 ⁺
Large Dump Bag	-	-	£39.99

⁺ Plus £2.50 midi bag deposit, refundable upon return.

Dried Hardwood
Certificate No. WS578/00001
Kindling
Certificate No. WS578/00002

Transit Pickup Loose Load

! PARTIALLY SEASONED

APPROX. 2M³ INCLUDES DELIVERY

	HARDWOOD	SOFTWOOD
Zone 1	£199.99	£159.99
Zone 2	£209.99	£169.99

Please ask a member of staff or see our website for details on zone deliveries.

Our transit loose loads are 2m³, which means they comply with the new domestic fuel use regulations.* However, we cannot confirm the moisture content of this firewood, so further seasoning is required. If you are unable to season your firewood further and require ready to burn logs, you should opt for our kiln-dried hardwood net bag option.

Coal and Other Fuels

CPL Brazier Smokeless Coal
(20kg bag) - £13.99

Homefire Smokeless Ovals
(20kg bag) - £17.99

New Regulations

*From 01/05/2021, the Government introduced new domestic fuel use regulations, designed to improve air quality. Since that date, we have changed the way we supply firewood to comply with the new regulations. Please see us in store or visit www.jobearnshaw.co.uk for further details.

Sheds and Cabins

At Earnshaws, we have the solution to your outdoor building requirements, whether that is a small tidy-away shed to store a few garden tools or a log cabin to act as a home office or additional living space.

We can offer a solution to suit most budgets and offer a supply and fit service on all the buildings we supply. While we offer a wide range as standard we are happy to look at any special requirements to fit specific needs or spaces.

A Great Tradition In Fencing

Records show that the Earnshaw family has been connected with the timber trade since 1780.

EARNSHAWS

GOOD WITH WOOD, GREAT IN YOUR GARDEN!

The business today, which was founded in 1860, carries the name of Job Earnshaw, who worked falls of timber in the local area near Wakefield. Soon his brothers joined him in the venture, and a small sawmill was built on the Midgley site, producing parts for horse drawn carts, gates, fence posts, rails and various items used in agriculture.

The company is still owned and managed by descendants of the founders and we still maintain the same service tradition that was so important back in the 1860s. While the company has adapted and changed over the years we have built on those years of experience to be true experts in our field.

Many of the products we sell today are still made by hand in our workshops where quality and durability are second nature.

For more information on the history of Earnshaws visit www.jobearnshaw.co.uk/about-earnshaws

We have three centres, each offering easy access, free parking and a huge range of inspiring products in stock ready to take away today!

Earnshaws Sustainability Programme

At Earnshaws we have always had a strong interest in ecological and environmental matters. From sourcing our material to managing our woodland, we have always worked to the very best practice. We always try to minimise fuel miles on all our outward deliveries and purchases, and try to source locally wherever possible.

Interbranch Transfers

You will normally find we have what you are looking for in stock at all three centres. However, from time to time less popular lines may only be in stock and in bulk at our Midgley Centre. We will happily transfer the stock you need for collection at your nearest centre – so please feel free to ask the staff on site. If you are looking for a very specific line or a large quantity please phone ahead to check that it's in stock.

Some timber products will develop checks which are splits across the grain; this is perfectly natural as the timber dries and will not reduce the strength of the timber. As timber is a natural product it has the potential to move with the atmospheric conditions and we cannot be held responsible for this movement. In the very rare occasion where there is a proven manufacturing defect, Earnshaws' liability shall in no circumstances exceed the price of the timber affected. Earnshaws shall not in any way be held responsible for any additional consequential costs or losses.

Prices correct at the time of going to press, but are subject to change without prior notice. All goods remain the property of the vendor until full payment has been received.
