PRESSURE TREATED

Most of our products are pressure treated to protect against rot, decay and insect and fungal attack.

DELIVERY SERVICE

We run our own in-house delivery service on all the products we supply. We will always aim to have the goods delivered ready for when you need them. Ask in the centres for a price to deliver your goods or alternatively, just drive in to any of the centres and we'll be pleased to help you with your collection.

INSTALLATION SERVICE

While many of our customers love to DIY, if you don't have the time or the necessary skills, we have a team of fitters able to undertake most projects. For fencing, decking, gate fixing, cabins or whole garden makeovers, we'll be able to turn your dream into reality. We can even build up the flat pack furniture for a small extra charge.

ONLINE ORDERING

Place an order through our website by completing an online enquiry list. We will confirm the details with you, take payment by phone, and arrange a delivery time that is convenient for you.

TRADE

At Earnshaws we have been supplying direct to the trade for over 160 years. For any trade enquiry big or small, or for further information regarding our comprehensive range of trade services, please contact Michael Mountain, Head of Trade Sales.

LOYALTY CARD PRICES

Prices in bold green are for loyalty card holders. Get yours in-store or add it to your online order for £5 and get our best prices guaranteed.

Fencing

Premium Fence Panels

This range of panels are built on the continent, using a rebated frame to ensure a strong and durable panel and are supplied pressure treated for maximum protection.

They are suitable for use with either standard or reeded timber posts or will fit within the 'H' section concrete posts. If using these panels with concrete gravel boards, a pair of timber fillets are required.

All heights given are to the tallest point. For shoulder measurements please reduce the given height by 200mm.

1828w x 1220h	£44.99	£42.99
1828w x 920h	£39.99	£37.99

Matching Gate Available

A traditional featheredge design. Manufactured in-house using 65 x 32 framing clad with featheredge boards. These panels suit a 100 x 100 timber or slotted concrete posts.

Supplied
pressure
treated

Featheredge Bow Top

1828w x 1820h	£66.99	£64.99
1828w x 1520h	£61.99	£59.99
1828w x 1220h	£54.99	£52.99

These panels are made to the same specification as our square featheredge panel using the same materials with the addition of a laminated bow as a capping. Height given is to tallest point. For shoulder measurements please reduce height by 200mm.

Yorkshire Lap

New for 2024, these panels are manufactured in-house using a 65 x 32 frame with a 125 x 11mm board fixed in a vertical overlap pattern. A contemporary alternative to our Featheredge panels. These panels suit a 100 x 100 timber or slotted concrete post.

Supplied
pressure
treated

1828w x 1820h	£56.99	£54.99
1828w x 1520h	£51.99	£49.99
1828w x 1220h	£44.99	£42.99

New Hall Double Paled

1828w x 1800h	£61.99	£59.99
1828w x 1500h	£56.99	£54.99
1828w x 1200h	£48.99	£46.99

The ideal panel for a windy location. Solid but designed to let the wind through. Can fit into slotted posts, but perfect with timber posts if that's what you prefer - we have fixing clips to suit. Manufactured using a double row of 10 x 100 boards on a sturdy 65 x 28 frame. Height given is to tallest point. For shoulder measurements please reduce height by 200mm.

Matching Gates Available

We stock a wide range of matching gates in-store, ready to take away – or we can make a bespoke gate to suit your exact dimensions.

All components for our Heavy Duty ranges are available – visit one of our centres for more information.

FOR A FULL RANGE OF GATES SEE PAGE 20.

Woven Willow And Hazel Panels

Our natural woven willow and woven hazel panels are perfect for a screen or a natural fence, can be easily cut into differing heights with a strong pair of secateurs. Fasten to either round or square posts which are both available on site at one of our centres.

Framed Woven Willow

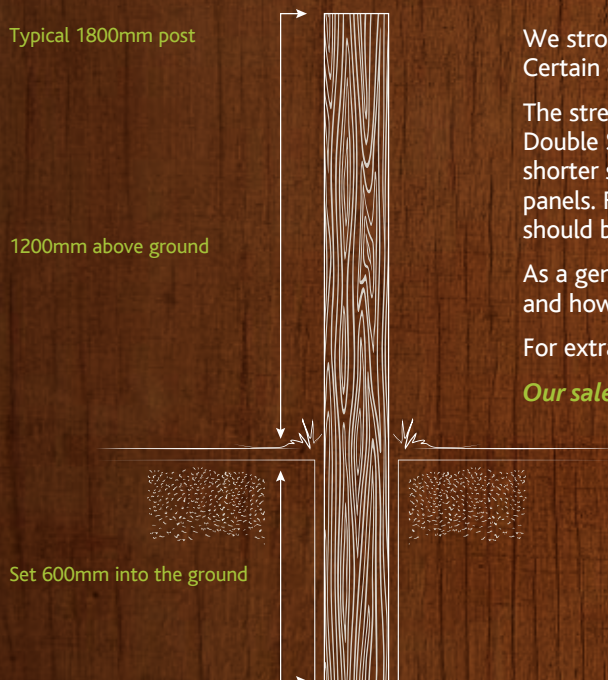

1800w x 1800h	£91.99 £89.99
---------------	----------------------

Woven Hazel

1800w x 1800h	£77.99 £75.99
---------------	----------------------

Recommended Fence Post Sizes

We strongly recommend a minimum of 600mm (2ft) of fence post into the ground. Certain conditions, such as slopes and soft ground, will require longer fence posts.

The strength of the post is dictated by the section size. For heavier panels, such as the Double Sided Paled Panels, a minimum of 75mm x 100mm is recommended for the shorter sizes, while 100mm x 100mm posts would be more appropriate for the taller panels. For lighter panels, such as trellis and lattice, 75mm x 75mm section posts should be sufficient.

As a general rule, base your post decision around the weight and height of the panel, and how exposed the fence will be to the wind.

For extra peace of mind why not use a post saver at ground level.

Our sales team will be happy to answer any specific enquiries.

**A FULL RANGE
OF POSTS
ARE AVAILABLE**

See page 12 for more information.

Timber

At Earnshaws, we aim to supply from stock a wide range of pressure treated softwood for all fencing and landscaping applications. With such a wide range on offer it can be difficult to decide exactly which product best meets your requirements – please give your nearest centre a call for friendly advice and information.

Supplied
pressure
treated

Our range of posts are supplied pressure treated and sawn from mixed softwood species. They are used as the basic building product for most fences. Available in a mix of lengths and sections to suit most jobs in a standard sawn finish. Other non-standard sizes are available to order - ask at your local Earnshaws fencing centre for details.

See our recommendations on page 11.

Concrete Posts And Gravel Boards

Drycast concrete posts have a rough cast surface that is uniform on both faces and are slotted on two opposite sides in a H pattern to allow panels to be easily inserted. We also stock an end post which has a single slot, and a corner post which has two slots on adjoining sides.

The gravel boards are supplied in an imperial 6' length (1828mm). When using the gravel boards under the metric sized (1800mm) premium panels don't forget to use packing fillets available from stock.

Available in a range of colours and styles with a mix of decorative screen options, as well as the solid panels.

! View our displays in store and look on the website for up-to-date details.

Gates

Garden Gates ~ Field Gates ~ Driveway Gates

We pride ourselves on offering the most extensive range of high quality timber gates in the area. From garden gates to bespoke driveway gates, estate gates to field gates – we have something for all applications.

Each of our centres feature well stocked shops with a huge range of gate ironwork, supported by well trained staff with years of specialist knowledge and experience.

Supplied
pressure
treated

We operate a traditional joiners shop at our Midgley centre, where expert craftsmen hand-build the vast majority of our extensive range.

Whether you require a gate to provide security, privacy, or simply to complement your home, we're confident that we can provide the right solution for you.

Ironwork, Hinges, Catches and Security

We have a huge range of gate hanging sets and padlocks.

Please ask in store for any specific requirements or a recommendation on which ironwork will suit your specific gates.

Approved Contractor Fitting Service

While many of our customers love to DIY, if you don't have the time or the necessary skills, we have the perfect solution.

We've put together a carefully selected group of specialist contractors able to undertake almost any project. We know our approved contractors deliver fantastic workmanship, using high quality materials supplied by us. From all types of fencing work, to decking and gate installation, through to complete garden makeovers, we'll be able to turn your dream into reality.

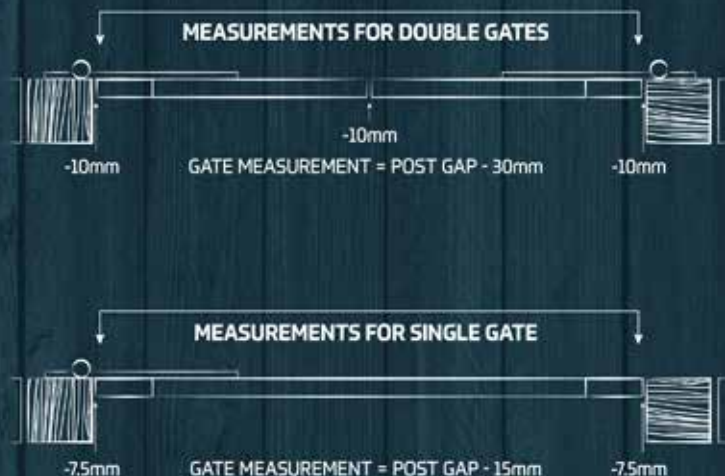

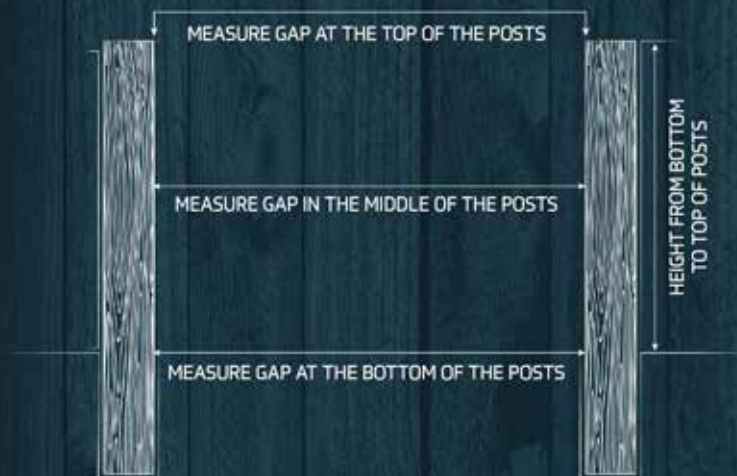

Speak to a member of staff at your nearest centre about the project you have in mind, and we'll arrange for the ideal contractor to contact you and provide a quotation.

How To Measure For Bespoke Gates

To ensure accurate results, we always recommend installing gate posts before the measurements for bespoke gates are taken.

Once the gate posts are in place, take three measurements from between the posts – top, middle, and bottom – and reduce the SMALLEST measurement by 30mm for driveway gates, or 15mm for single gates. This measurement is now the width of gate required, providing a neat fit while allowing for the natural swelling that is a feature of timber gates. Don't forget to allow for 40-50mm of clearance beneath the gate too.

Measuring for and fitting gates is not easy and should only be undertaken by competent DIY'ers or tradesmen. The above is only a guide and does not consider a huge range of variables that can impact upon gate size and hanging technique.

If in doubt, why not consider our **Approved Contractor Fitting Service** to complete the job?

Occasional Gates

Designed to match our fence panels and for occasional use in low traffic areas.

Curved Gate Hinge

£13.99 **£12.99**

Specially designed to fit with the bowed panel gates below.

Prague Panel Gate

900w x 1800h £85.99 **£83.99**

Berlin Panel Gate

900w x 1800h £85.99 **£83.99**

Hamburg Square Panel Gate

900w x 1800h £69.99 **£67.99**

Hamburg Bowed Panel Gate

Bradfield Gate

900w x 900h £53.99 **£51.99**

Darton Gate

900w x 900h £51.99 **£49.99**

Lepton Gate

900w x 900h £32.99 **£30.99**

**Most
gates available
in bespoke sizes**

**Excluding our
occasional gates
Ask for more detail!**

The Bradfield Gate

The frame of the Bradfield gate is made from thicker timber and is constructed using mortice and tenon joinery.

The Darton Gate

A very similar gate to the Bradfield but made from lighter gauge timber and constructed with butt joinery.

Shepley Gate
900w x 1800h £91.99 **£88.99**

Elsecar Gate
900w x 1800h £104.99 **£99.99**
To match our featheredge panels.

Louth Gate
900w x 1800h £154.99 **£149.99**

Harley Gate
900w x 1800h £154.99 **£149.99**

Haigh Gate
900w x 1800h £93.99 **£88.99**

Wentworth Gate
900w x 1800h £134.99 **£129.99**

Kiev Gate
900w x 1800h £159.99 **£154.99**

Milton Gate
900w x 1800h £164.99 **£159.99**

Oslo Gate
Traditional 900w x 1815h £119.99 **£114.99**
Grey 900w x 1815h £149.99 **£144.99**

Driveway Gates

FULLY BESPOKE AND MADE TO ORDER!

At Earnshaws, we've carefully designed our range of driveway gates to suit every taste and requirement. Whether you're looking for privacy, security, or simply want to create a grand entrance, we're confident that we can craft the perfect pair of driveway gates for your home.

- **Manufactured by us.** All our driveway gates are manufactured at our Midgley centre by expert joiners using time-honoured, traditional techniques.
- **Fully bespoke.** We know that every driveway is different, so we don't stock 'standard size' gates. Our driveway gates are manufactured to your exact requirements, so there's no need to compromise on fit.
- **Top quality comes as standard.** We're proud of our driveway gates – that's why every pair is constructed from premium, hand picked materials and given the care and attention they deserve.
- **On-site displays.** Read every specification on the internet that you can – but there's really no substitute for touching and feeling our driveway gates. We've assembled a comprehensive selection of display models at each of our centres so you can judge our gates for yourself.
- **Dedicated, on-site gate experts.** Whether your local Earnshaws branch is at Midgley or Brigg, we have well trained staff at each of our sites to inform and advise at every turn.

All prices are inclusive of VAT.

All loyalty card holders get £25 allowance towards ironwork with every gate order.

Tankersley

Handcrafted in our workshops using premium grade joinery redwood, the Tankersley range combines high quality materials and traditional workmanship with fantastic value. Choose from three available styles – Square, Omega, or Bow top. Please note that the Tankersley range is supplied untreated and will require a good quality treatment before fitting – ask us about our range of quality treatments and stains.

All of our driveway gates are manufactured to your exact requirements. Take your required height and overall width for the pair of gates, and calculate your price using the grid below. For intermediate sizes, please price using the next size up eg for 2.9m, use 3.0m price.

H \ W	2.4m	3.0m	3.6m	4.2m

Birdwell

Hand built by our joiners using carefully selected joinery grade softwood timber, the Birdwell is a popular, affordable and unobtrusive way to add a quality entrance point to your driveway. Supplied in a planed finish and available treated or untreated.

All of our driveway gates are manufactured to your exact requirements. Take your required height and overall width for the pair of gates, and calculate your price using the grid below. For intermediate sizes, please price using the next size up eg for 2.9m, use 3.0m price.

H \ W	2.4m	3.0m	3.6m	4.2m

Paving

Ethically Sourced Indian Sandstone Paving

Sandstone paving is perfectly suited to both indoor and outdoor areas. From patios and driveways to paths or garden features, sandstone is versatile, and it looks great too!

Each paving slab is also expertly hand-cut to give a stunning quality and texture which only adds to its character and charm. Sandstone is easy to maintain and extremely durable, meaning it can withstand even the worst of the Great British weather!

NEXUS Fusion Pro-joint

The All-Weather Paving Joint Compound

A quick and easy solution to filling joints between paving slabs and setts, suitable for natural stone and concrete paving.

Simple to use, whatever the weather, it delivers a weed free, frost-resistant joint, without staining the paving. Pro-Joint Fusion is supplied in two vacuum-packed pouches within the tub.

Available in four colours: neutral (buff), mid grey, basalt and black

Other colours and specifications are available to order.

Buff 450 x 450mm	£5.29	£4.99	

Artificial Grass

Artificial garden grass brings an attractive, natural looking, low maintenance alternative to living turf into your garden, bringing a realistic grass surface to householders with limited garden spaces.

In urban areas, where shade and drainage make traditional lawn care impractical, artificial grass is an excellent, maintenance free and increasingly popular solution.

We stock a range of artificial grasses 'off the roll' at our centres, in a 2m length, for you to buy and take away.

For bigger projects we can cut from 4m or 5m rolls to minimise joints. Ask at the counter for a price, we usually aim to have these bespoke rolls ready for you within 5 working days.

Artificial Turf Rolls

Sandal grass per square metre (30mm)	£16.99	£16.49
Walton grass per square metre (37mm)	£15.49	£14.99
Nostell grass per square metre (40mm)	£20.49	£19.99

POP IN TO ONE OF OUR CENTRES TO VIEW OUR RANGE!

Water Features

NOW IN STOCK AT OUR CENTRES!

Nothing is more relaxing than the gentle rhythm of burbling and cascading water in the background.

Our range of water features changes regularly, and we always have an interesting selection.

Visit us at Midgley or Brigg to see our latest displays, and add a new soundtrack to your garden!

Metal Fixing Spikes

Manufactured from heavy gauge steel with a protective coating, metal post supports are designed to allow the erection of fence posts in minutes without the need for digging holes or mixing concrete. The spikes are ideal for use in less exposed areas for temporary fencing while the bolt-downs make fixing to paths or driveways easy. Available in two styles: the traditional wedge-grip which grips the post as it is knocked into the support, and the bolt-grip which grips the post by tightening two bolts.

Extras			
Metpins	£3.29	£2.99	
L shaped clips	£0.79	£0.74

Firewood

At Earnshaws, we know our timber and have been cutting firewood since 1860, so you can buy with confidence.

Our range of firewood logs are either air-dried or kiln-dried before sale, with moisture contents as low as 16 percent, and an even more impressive 6 percent for our briquettes.

The most cost-effective way to heat your home with wood is to buy, store and season our hardwood and softwood logs in a log store. For ready-to-burn firewood, our kiln dried logs are the perfect answer.

In addition to our range of firewood, we also stock firelighters, indoor and outdoor log stores, as well as fireside accessories, buckets and fire guards.

Ready To Burn

One Cubic Metre Cages

FOR COLLECTION FROM MIDGLEY

2 cages
minimum
purchase
required

! PARTIALLY SEASONED

Air Dried Softwood	1m ³ Cage	£89.99 ea.
Air Dried Hardwood	1m ³ Cage	£124.99 ea.

Our transit loose loads are 2m³, which means they comply with the new domestic fuel use regulations*. However, we cannot confirm the moisture content of this firewood, so further seasoning is required. If you are unable to season your firewood further and require ready to burn logs, you should opt for our kiln-dried hardwood net bag option.

Ready To Burn Regulations

*From 01/05/2021, the Government introduced new domestic fuel use regulations, designed to improve air quality. Since that date, we have changed the way we supply firewood to comply with the new regulations. Please see us in store or visit www.jobearnshaw.co.uk for further details.

Log Stores

A purpose built, outside timber log store is the neatest, and most practical outdoor firewood storage solution, for ageing and drying our hardwood and softwood logs.

A Great Tradition In Fencing

Records show that the Earnshaw family has been connected with the timber trade since 1780.

EARNSHAW

GOOD WITH WOOD, GREAT IN YOUR GARDEN!

The business today, which was founded in 1860, carries the name of Job Earnshaw, who worked falls of timber in the local area near Wakefield. Soon his brothers joined him in the venture, and a small sawmill was built on the Midgley site, producing parts for horse drawn carts, gates, fence posts, rails and various items used in agriculture.

The company is still owned and managed by descendants of the founders and we still maintain the same service tradition that was so important back in the 1860s. While the company has adapted and changed over the years we have built on those years of experience to be true experts in our field.

Many of the products we sell today are still made by hand in our workshops where quality and durability are second nature.

For more information on the history of Earnshaws visit www.jobearnshaw.co.uk/about-earnshaws

We have two centres, each offering easy access, free parking and a huge range of inspiring products in stock ready to take away today!

Earnshaws Sustainability Programme

At Earnshaws we have always had a strong interest in ecological and environmental matters. From sourcing our material to managing our woodland, we have always worked to the very best practice. We always try to minimise fuel miles on all our outward deliveries and purchases, and try to source locally wherever possible.

Interbranch Transfers

You will normally find we have what you are looking for in stock at our centres. However, from time to time less popular lines may only be in stock and in bulk at our Midgley Centre. We will happily transfer the stock you need for collection at your nearest centre – so please feel free to ask the staff on site. If you are looking for a very specific line or a large quantity please phone ahead to check that it's in stock.

Some timber products will develop checks which are splits across the grain; this is perfectly natural as the timber dries and will not reduce the strength of the timber. As timber is a natural product it has the potential to move with the atmospheric conditions and we cannot be held responsible for this movement. In the very rare occasion where there is a proven manufacturing defect, Earnshaws' liability shall in no circumstances exceed the price of the timber affected. Earnshaws shall not in any way be held responsible for any additional consequential costs or losses.

Prices correct at the time of going to press, but are subject to change without prior notice. All goods remain the property of the vendor until full payment has been received.
